

July 28, 2026

Dear Parents,

We are pleased to share with you the **dates of Examination** and **extended registration information** for the ICAS (International Competitions and Assessments for Schools) assessment schedule for the 2026–2027 academic year.

I would also like to remind that the optional ICAS Assessments will be conducted online in school between 3rd to 1st of September 2026. **The schedule for registered candidates is given below:**

The details of ICAS assessments are included below:

- ✚ The Assessments are English, Mathematics, Science, Digital Technologies, and Writing Skills.
The Digital Technologies is open to all students from Grade 3 to Grade 7 and the other subjects (English, Mathematics, Science, and Writing Skills) are open to all students from Grade 3 to 12.
- ✚ The school is the Assessment centre.
- ✚ The entry fee for English, Mathematics, Science and Digital Technologies is \$20 each per student per Assessment. For Writing Skills, the fee is S\$30.
- ✚ More details about the tests are available here: <https://www.eats.com.sg/icas/>
- ✚ Please click the Google Form link given below for registration.

<https://bit.ly/ICAS26NPS>
- ✚ Please submit one response per student for all the entries. Multiple responses for individual students cannot be registered. So, please check the form is correct before submitting.
- ✚ The registration will be confirmed only after the entry fee is paid.

Please Note:

The link for Digital Technologies and Writing is closed on 26th July 2026.

The ICAS team has extended registration time for English, Mathematics and Science till 31st July 2026.

5.	Tuesday 1 st September 26	Math	Monday 31 st August 26	Math

Warm Regards,

Dr Kris Bhatt
(Senior Principal)

To support students ICAS preparation planning, ICAS team has shared two complimentary resources:

1. ICAS Preparation Pack (Official ICAS Resource)

The ICAS Preparation Pack contains authentic past ICAS questions, giving students the opportunity to experience the ICAS question style.

Download here:

 <https://www.eats.com.sg/icas-prep-pack>

2. ICAS Workbook (Developed by EATS Malaysia)

Created by ICAS team at Educational Assessment and Testing Services (EATS), this workbook provides additional practice activities to help students build confidence and develop the higher-order thinking skills assessed in ICAS.

Download here:
